Englewood, CO – On March 24, 2021, the Englewood Police Department Dispatch received multiple 911 calls of an accident at South Broadway and East Girard Avenue. Englewood Police Officers responded to the area and located a three-car accident. It was later determined one of the vehicles involved in the accident was a stolen vehicle. The stolen vehicle was a vehicle that the Denver Police Department, prior to the accident informed Englewood Police Dispatch that they were attempting to stop, on West Hampden Avenue (Hwy285). No Englewood Police Officers were involved in the attempt to stop the vehicle.

After the accident the driver, a male subject, fled from the stolen vehicle on foot. Denver Officers who were in the area gave chase on foot. The male subject stopped and threatened to harm himself with a knife. Officers negotiated with the male subject and he later surrendered without further incident. The Englewood Police Department assisted the Denver Police Department by conducting the accident investigation. South Broadway was shut down for a couple of hours while the accident was investigated. The Denver Police Department took custody of the male subject and are completing their own investigation.
